Part III Christian Faith and Philosophy

Faculty and administrators at Huntington University are required to affirm a personal commitment to Christ and to subscribe annually to this **Statement of Faith**, which embodies our collective understanding of, and commitment to, the truth of the Scriptures.

- *We believe the Bible to be the inspired, the only infallible, authoritative Word of God.*
- *We believe that there is one God, eternally existent in three persons, Father, Son, and Holy Spirit.*
- *We believe in the deity of our Lord Jesus Christ, in his virgin birth, in his sinless life, in his miracles, in his vicarious and atoning death through his shed blood, in his bodily resurrection, in his ascension to the right hand of the Father, and in his personal return in power and glory.*
- *We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential.*
- *We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.*
- *We believe in the resurrection of both the saved and lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.*
- *We believe in the spiritual unity of believers in our Lord Jesus Christ.*

Can you subscribe to this Statement of Faith without mental reservation or qualification? _____ (Explain any reservations)

Statement of Community Standards

Regulation for student conduct guidelines have been established that are intended to reflect expectations for community life for all who are part of the University:

The primary obligations of all students is to live as responsible members of a Christian community, seeking to live up to their own ideals as they themselves grow personally, morally, and spiritually. The Christian life is primarily positive rather than negative; creative, loving service to others is more important than adherence to a list of detailed prohibitions.

However, the University feels that a few specific prohibitions are necessary in the best interests of the student body as a whole and in order to establish a wholesome atmosphere on campus. Gambling and the drinking of alcoholic beverages are not permitted on or off campus; use of tobacco is not permitted on the University campus or at University-sponsored activities off-campus. The University does not sponsor social dancing. It is recognized that even sincere Christians may differ on these matters and no condemnation is implied of those who take a different view. However, students in accepting admission agree to govern themselves by the regulations of the University, and even if they personally do not regard these practices as moral issues, they are bound by their promise.

Can you support the University's expectations for Community Standards given above? _____

Faculty expectations also preclude use of alcoholic beverages, tobacco, and narcotic drugs (other than under medical care). **Can you agree to these expectations for faculty?** _____ (Explain any current use.) _____

Church Membership _____ Date of Affiliation With Local Congregation _____
