

MATCHING CHURCH GRANT PROGRAM GUIDELINES 2023-2024 SCHOOL YEAR

The Matching Church Grant is awarded to students whose local church contributes directly to the Huntington University scholarship fund. The church may contribute any amount they wish toward their student's educational costs. Huntington University matches funds contributed up to \$1,000/year for all denominations.

Please Note: Parent(s) of students participating in this program are prohibited from contributing to the fund while their student is a recipient for tax purposes.

In order to be eligible for this grant, a student must:

- ✦ Be a full-time student
- ✦ Meet the satisfactory academic progress policies and all other institutional policies of Huntington University.

We encourage students to be members of the contributing church, but it is not required.

Please notify us of your intent to participate in this program no later than August 1, 2023, by returning this form to the Office of Financial Aid. **Notifications postmarked after the August 1 deadline will not qualify for the HU matching funds** and will instead be awarded as an outside scholarship.

If payment is not received by August 1, 2023, the student will be required to pay the pledged church and match portion out of pocket to meet the institutional fall bill payment deadline. Once the church does send funds, the student may reimburse himself or herself.

Neither the church's portion nor HU's match will disburse to the student's account until the funds are received. If a student withdraws during or between semesters, an HU representative will contact your church liaison to request guidance on whether or not you would like us to return funds to the church or allow the student to keep the disbursed portion of the church grant.

If you have concerns about meeting the August 1, 2023 deadline, please contact our office to discuss your situation and request an extension by August 1, 2023.
